**“Now I am quietly waiting for the
catastrophe of my personality to
seem beautiful again, and
interesting, and modern”** This

group show, curated by artist Tom Burr,
takes its title from a poem by Frank
O'Hara and delves, according to Burr,
into the “multiplicity and fluidity of
identity and authorship.” Jean Cocteau,
Dan Graham and Elizabeth Peyton are
among the featured contributors.

Thu 13–Oct 27.
