Bortolami

520 W 20th St between Tenth and Eleventh Aves (212-727-2050, bortolamigallery.com). Tue–Sat 10am–6pm.

“Constructs, Abrasions, Melons and Cucumbers: Barbara Kasten and Justin Beal” This two-person show is an intergenerational affair, featuring 30 years’ worth of Kasten’s Polaroids, digital prints and blueprints of abstract constructions created specifically for the camera. Beal, meanwhile, offers cast-aluminum sculptures of the titular food items, as well as wall reliefs that consist of rubber sheets stretched over steel frames. Through Aug 3.
